Required Documents

You must have copies of these documents on file at Windsock Aviation before you rent our airplane. Documents can be mailed or scanned and sent via email. The email attachment is preferred but we realize that this is not an option for everyone; it just gets things done quicker.

Photo Copies and Required Docs:

- [Completed Pilot Information form](#). Form is located at www.windsockaviation.net in the "Documents" section. It must be complete before you incur any rental expense. All billing information is taken from this form.
- Your pilots license (if licensed)
- Your current medical certificate (before solo if a student)
- Your log book entry showing your last biennial review (license more than 2 years old)
- [Windsock Aviation Rental Agreement](#) Signed and dated
- CFI certification of successfully completed check ride
- Proof of Citizenship, required by TSA for students. (49 CFR Part 1552). You can send a photocopy of your drivers license AND a photocopy of your birth certificate (raised seal), or a copy of a current US Passport ID page
- For Instructors Only: Flight instructors' security awareness training documentation. We use AOPA training and need the completion certificate. [See website for web link](#).
- For Instructors Only: [Insurance Company Pilot History Form](#)

Non-US citizen wanting to take flight instruction / additional requirements:

- Notify TSA (electronically via web site)
- Record initial contact.
- Send to Columbia Metro Airport Security section for fingerprinting (\$130).
- Photograph
- Each rating will require a repeat of the fingerprinting, screening by TSA. Process could take 2-3 months. Contact us for latest details of this process.
